

Issued by Notified Body No. 0402 according to Regulation (EU) 2016/425 annex V, regarding:

Industrial safety helmet

Issued to

3M United Kingdom PLC

3M Centre, Cain Road, Bracknell, Berkshire, RG12 8HT, UK

Product description and product name

Industrial safety helmet with ventilation openings, "3M™ H-700 Series Industrial Safety Helmets", complying with EN 397:2012+A1:2012. For details, see appendix.

Technical documentation

The manufacturer's technical file ref 3M TF0382, latest dated 2024-05-17.

Certificate

RISE Research Institutes of Sweden AB, Notified Body no. 0402, hereby certifies that the manufacturer's technical file and the product have been inspected in accordance with the procedure described in annex V to regulation (EU) 2016/425 and found to fulfil the requirements. The product is judged to belong to category II according to annex I to the regulation. The EU Type-Examination is based on a type test in accordance with EN 397. The product also complies with optional requirements in EN 397, as can be seen in appendix to this certificate. RISE Certification Rule SPCR 309 issue 2022-01-24 has been applied.

Miscellaneous

The manufacturer's information in English on use, cleaning, storage etc. has been inspected and found to fulfil the relevant requirements of the regulation. This information must be available in the language used where the product is to be sold.

Validity

The certificate remains valid as long as the conditions laid down in the harmonized standard(s) in reference are not modified significantly or at the latest until 2029-09-17. The validity of this certificate can be verified by RISE.
